

Lehigh Valley Bridge Design Contest

It's free!

For middle school and high school students

What

The **Lehigh Valley Bridge Design Contest** is an Internet-based competition that provides students with an engaging introduction to engineering through a realistic, hands-on design experience.

When

March 30 – April 27, 2020

How to Enter

Form a team.

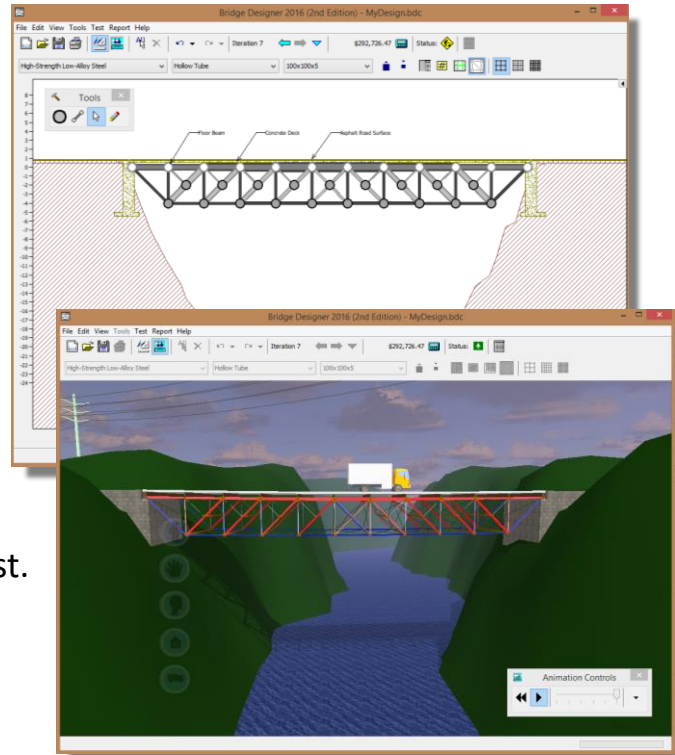

Download the award-winning *Bridge Designer* software.

Design a bridge, using the Local Contest Code specified on the contest website.

Pass the load test and minimize cost.

E-mail your design to the judges.

Enter as many times as you like!
